COMMENTS: A check was cut to candidate Jill McGuire in the amount of \$200 on February 12, 2020, which was originally in connection with the March/April 2020 election. The March/April 2020 election was rescheduled multiple times due to COVID. The 30-P was missed but was no longer listed on the filing schedule for the new election date. The 10-P was filed timely for this election in which this expense was disclosed. The PAC was not made aware of the missing 30-P report until 2021 in which the missing 30-P report was filed with the same information which was disclosed in the 10-P report. The expenditure above which triggered this report was technically disclosed within 126 days after the due date of the original election reporting date. The PAC also began filing monthly in a good faith effort to ensure all future reports are filed timely, regardless of election date changes.

Dear sir or madam:

We respectfully request the boards reconsideration of a waiver or reduction in the late fee late fee listed above in the amount of \$3,000.00, for failing to timely file the 30-P disclosure report for the July 11, 2020 election, originally scheduled for March/April 2020.

A check was cut to candidate Jill McGuire in the amount of \$200 on February 12, 2020, which was originally in connection with the March/April 2020 election. The 10-P was filed timely for this election in which this expense was disclosed.

The PAC was not made aware of the missing 30-P report until 2021 in which the missing 30-P report was filed with the same information which was disclosed in 2020 on the 10-P report. The expenditure above which triggered this report was technically disclosed within 126 days after the due date of the original election reporting date. The PAC also began filing monthly in a good faith effort to ensure all future reports are filed timely, regardless of election date changes.
